interested parties in order to inform the development of the renewed strategy. For citizens, public admin

including Member States, and private organisations are invited to contribute. Given the diversity of topics consultation, stakeholders may choose to provide replies to some questions only. Section I (covering questions addressed to all stakeholders, including citizens, while Section II (covering questions 6-102) requires a certain c of financial and sustainability-related knowledge and is primarily addressed at experts.

This consultation builds on a number of previous initiatives and reports, as well as complementing consultation activities of the Commission, in particular:

- The [final report of the High-Level Expert Group on Sustainable Finance](#) (2018);
- The [EU Action Plan on Financing Sustainable Growth](#) (2018);
- The [communication of the Commission on 'The European Green Deal'](#) (2019);
- The [communication of the Commission on 'The European Green Deal Investment Plan'](#) (2020);
- The [reports published by the Technical Expert Group on sustainable finance \(TEG\)](#) with regard to a taxonomy of sustainable activities, an EU Green Bond Standard, methodologies for EU climate benchmark disclosures for benchmarks and guidance to improve corporate disclosure of climate-related information.
